17th European Regional Meeting (ERM) – Dublin 2026

Once a Nepali, Always a Nepali

About ERM

The **European Regional Meeting (ERM)** was established 18 years ago by the Non-Resident Nepali Association (NRNA) with a simple yet powerful vision: **to unite Nepalis across Europe, strengthen our identity, and ensure that every Nepali—no matter where they live—remains connected to their roots.**

ERM began as a gathering to share experiences, build relationships, and create dialogue. Today, it has evolved into one of the most important platforms for addressing the needs, challenges, and aspirations of millions of Nepalis living, studying, and working abroad.

Why ERM Matters for Immigrants

ERM plays a crucial role in the lives of Nepali immigrants. It helps us:

- Understand our identity and heritage
- Build community support systems
- Raise concerns faced by students, workers, families, and long-term residents
- Strengthen our collective voice at the national level

For Nepalis living far from home, ERM is a space where our stories, struggles, and hopes are heard and respected.

Why Support ERM?

NRNA is a social organization, but it serves as a vital bridge between Nepalis abroad and the Government of Nepal. Supporting ERM means strengthening this bridge and ensuring our voices reach policymakers.

Through ERM, we collectively advocate for:

- Embassy and consular services
- NRN Card improvements
- Citizenship rights and legal clarity
- G2G coordination

- Health, culture, tourism, and investment opportunities
- Strong diaspora representation

ERM is not politically influenced, but **every issue we face—citizenship, rights, identity—requires political engagement**. ERM provides a unified platform to communicate these needs to the government.

How ERM Is Funded

NRNA programs are **self-funded**. They rely on membership fees, contributions, and voluntary support from individuals and organizations who believe that small contributions can create big impact for Nepalis abroad and for Nepal itself.
